

NORTH GUALALA WATER COMPANY

BILLING INSERT
for Bills Mailed: August 23,2017

Notice to Customers

As approved by Resolution No. W-4778 NGWC is adding a surcharge, over a period of five years, to repay the \$389,493 loan from SWRCB to recover the planning, studying, and engineering costs for improvements to NGWC's water system to enable the utility to maintain safe drinking water standards. This surcharge will be an 8.81% surcharge for year one and 7.34% for years two through five.
